

FUNCTION #10

School Drama & Gossip – Raccontare eventi passati, pettegolezzi, reazioni a notizie

EPISODE 10 • School Courtyard, Break Time

VOL. 1

1 Okay, you **will NOT believe** what happened in Mr. Harris's class **this morning**.

3 Jake **was chewing gum**, right? And he accidentally blew a massive bubble that **popped ON** the teacher's laptop.

5 He **went proper red**. Made Jake clean it with his own sleeve. While the whole class **filmed it**.

2 What? **Spill**. I **was in** the bathroom during the whole thing.

4 **NO. Shut up**. What did Harris do?

I'm **screaming**. That's already on the group chat, isn't it? **Canon event** for Jake.

★ **REMEMBER! 2 phrases you NEED:**

★ "You will **NOT believe...**" / "**Shut up**" = Dramatic storytelling opener. "Shut up" = shock/disbelief (not rude here!). Gossip essentials.

★ "What did... do?" / "He **went...**" = Past Simple for event sequences. "Went red" = became red. Natural storytelling flow.
