Summer Plans & Goodbyes – Fare progetti estivi, salutarsi, promettere di restare in contatto

EPISODE 15 • School Gates, Last Day

VOL. 1

Sofia

1 I can't believe that's it. No more bell, no more Harris. **Actual freedom.**

Sofia

3 **Sleeping for a week straight.** Then my family's **dragging me** to Cornwall. You?

Sofia

5 Wait, you're **still serious** about that? ...Yeah. **Obviously.** You think I'd forget?

Leo

2 Don't get used to it. Summer's **gonna fly.** **What you doing first?**

Leo

4 Working at my uncle's garage mostly. **Saving for that Tokyo trip** we talked about.

6

Keep me posted from Cornwall. And **don't ghost me.** See you September, yeah?

★ REMEMBER! 2 phrases you NEED:

- ★ "What you doing first?" / "Keep me posted" = Casual future question (dropped auxiliary). "Keep me posted" = stay in touch. Goodbye essentials.
- ★ "Don't ghost me" / "See you September, yeah?" = "Ghost" = disappear without contact. "Yeah?" = seeking confirmation, very UK. Natural farewells.
