

FUNCTION #3

Weekend Plans & Making Arrangements –
Organizzare il weekend e fissare appuntamenti

EPISODE 3 • School Courtyard, Friday VOL. 1

① Sofia

Thank God it's Friday.
This week was **proper long**. What you up to
this weekend?

Leo ②

Not much.
Probably just **chilling** at home,
scrolling. You?

③ Sofia

I'm **meeting** Gaia at
Portobello Market on
Saturday. **Fancy**
coming along?

④ Leo

Bet. What time?
I'm down for
anything that
isn't homework.

⑥ Leo

I'll see you there.
Don't be late
though, **yeah?**

⑤ Sofia

Let's say 11?
We can grab a
crepe and **vibe**
vicn for a bit.

★ **REMEMBER!** 2 phrases you **NEED**:

★ "What you up to?" = What are you doing? / What are your plans? The most natural way to ask about plans in the UK. Drop the "are" in casual speech.

★ "Fancy...?" / "I'm down" = "**Fancy**" = Do you want to? (very British).
"I'm down" = I agree / I'm in. Essential for making plans with friends.
